

2. Under rule 10 of the Indian Electricity Rules, 1910, His Excellency the Governor in Council hereby appoints the Mysore Government as the possessor of poles 16 (1) and (2), 30 (1), 49, 51, 52 (1), 53 and 54 of the main rules, in respect of which and supply in British territory, subject to the condition that no conductor of an aerial line erected in error, along or across any street shall be at a less height from the ground than 30 feet, and at places other than road crossings the height from ground shall be not less than 15 feet.

3. In exercise of the powers conferred by section 51 of the Indian Electricity Act (IX of 1910), as amended, His Excellency the Governor in Council hereby authorizes upon the Chief Electrical Engineer in the Government of Mysore, for the placing of apparatus and apparatus for the transmission of electrical energy and telephone messages from the point of entry in Bangalore village of the Kalgudi taluk of the Coimbatore district to the Matter Head-works in the Mysore taluk of the same district—the points of which is shown in the deposited map—the powers which the telegraph authority possesses under section 16 in its of the Indian Telegraph Act (Act XLII of 1885), with respect to the placing of telegraph lines and posts for the purpose of a telegraph established or maintained by the Government or to be so established or maintained. The exercise of these powers is subject to the provisions of the said Indian Telegraph Act of 1885 and also to the following further conditions:—

(1) All telegraph and telephone lines crossing the transmission lines shall be obviously guarded to the satisfaction of the telegraph authority.

(2) In all cases where telegraph and telephone lines are directed or altered at the request of the Chief Electrical Engineer in the Mysore Government, the cost of such direction or alteration shall be borne by the Mysore Government.

Port St. George, August 15, 1920.

Under section 22 of the Malabar Rivers Conservancy Act VI of 1921 His Excellency the Governor in Council is pleased to issue the following alterations to the rules for the prevention of injury to watermills situated upon streams palated at page 124 of Part I of the Act St. George Gazette, dated 25th April 1921:—

(1) For rule 1, substitute the following:—

"Rule 1. (a)—No person shall, without the previous permission of the Conservator of Rivers in writing, erect or place any structure on land from within 100 feet of the left bank line of the left bank embankment to 100 feet beyond the head water line of right bank embankment."

Rule 1 (b).—Any person intending to make an excavation or land specified in rule 1 (a) shall, not less than 10 days before beginning to do so, make an application in writing to the Conservator of Rivers for permission. The application shall state the quantity of earth, sand, etc., intended to be removed and the place of excavation.

Rule 1 (c).—The Conservator of Rivers shall, within 30 days after receiving the application, pass such orders as he may deem fit. If, after inspection of the land by a Public Works Department Officer and before such time as the Conservator of Rivers, and after considering his report, the Conservator is satisfied that such excavations are likely to affect injuriously the conservancy of the river, he may, by an order in writing, require the applicant to abstain from making the excavation. If an order is passed within 30 days, the applicant may proceed to make an excavation in accordance with the terms of the application."

(2) For the words "Rule 1" occurring in Rule 17, substitute "Rule 1 (c) above".

(3) Substitute the following for the existing Rule VI:—

"Whereas Rule 10 comply with the order issued by the Conservator of Rivers under Rule 10 of the Indian Electricity Rules, 1910, as amended, for the purpose of the transmission of electrical energy and telephone messages from the point of entry in Bangalore village of the Kalgudi taluk of the Coimbatore district to the Matter Head-works in the Mysore taluk of the same district—the points of which is shown in the deposited map—the powers which the telegraph authority possesses under section 16 in its of the Indian Telegraph Act (Act XLII of 1885), with respect to the placing of telegraph lines and posts for the purpose of a telegraph established or maintained by the Government or to be so established or maintained. The exercise of these powers is subject to the provisions of the said Indian Telegraph Act of 1885 and also to the following further conditions:—

(1) All telegraph and telephone lines crossing the transmission lines shall be obviously guarded to the satisfaction of the telegraph authority.

(2) In all cases where telegraph and telephone lines are directed or altered at the request of the Chief Electrical Engineer in the Mysore Government, the cost of such direction or alteration shall be borne by the Mysore Government.

(3) For rule 1, substitute the following:—

"Rule 1. (a)—No person shall, without the previous permission of the Conservator of Rivers in writing, erect or place any structure on land from within 100 feet of the left bank line of the left bank embankment to 100 feet beyond the head water line of right bank embankment."

Rule 1 (b).—Any person intending to make an excavation or land specified in rule 1 (a) shall, not less than 10 days before beginning to do so, make an application in writing to the Conservator of Rivers for permission. The application shall state the quantity of earth, sand, etc., intended to be removed and the place of excavation.

Rule 1 (c).—The Conservator of Rivers shall, within 30 days after receiving the application, pass such orders as he may deem fit. If, after inspection of the land by a Public Works Department Officer and before such time as the Conservator of Rivers, and after considering his report, the Conservator is satisfied that such excavations are likely to affect injuriously the conservancy of the river, he may, by an order in writing, require the applicant to abstain from making the excavation. If an order is passed within 30 days, the applicant may proceed to make an excavation in accordance with the terms of the application."

(2) For the words "Rule 1" occurring in Rule 17, substitute "Rule 1 (c) above".

(3) Substitute the following for the existing Rule VI:—

"Whereas Rule 10 comply with the order issued by the Conservator of Rivers under Rule 10 of the Indian Electricity Rules, 1910, as amended, for the purpose of the transmission of electrical energy and telephone messages from the point of entry in Bangalore village of the Kalgudi taluk of the Coimbatore district to the Matter Head-works in the Mysore taluk of the same district—the points of which is shown in the deposited map—the powers which the telegraph authority possesses under section 16 in its of the Indian Telegraph Act (Act XLII of 1885), with respect to the placing of telegraph lines and posts for the purpose of a telegraph established or maintained by the Government or to be so established or maintained. The exercise of these powers is subject to the provisions of the said Indian Telegraph Act of 1885 and also to the following further conditions:—

(1) All telegraph and telephone lines crossing the transmission lines shall be obviously guarded to the satisfaction of the telegraph authority.

(2) In all cases where telegraph and telephone lines are directed or altered at the request of the Chief Electrical Engineer in the Mysore Government, the cost of such direction or alteration shall be borne by the Mysore Government.

(3) For rule 1, substitute the following:—

"Rule 1. (a)—No person shall, without the previous permission of the Conservator of Rivers in writing, erect or place any structure on land from within 100 feet of the left bank line of the left bank embankment to 100 feet beyond the head water line of right bank embankment."

Rule 1 (b).—Any person intending to make an excavation or land specified in rule 1 (a) shall, not less than 10 days before beginning to do so, make an application in writing to the Conservator of Rivers for permission. The application shall state the quantity of earth, sand, etc., intended to be removed and the place of excavation.

Rule 1 (c).—The Conservator of Rivers shall, within 30 days after receiving the application, pass such orders as he may deem fit. If, after inspection of the land by a Public Works Department Officer and before such time as the Conservator of Rivers, and after considering his report, the Conservator is satisfied that such excavations are likely to affect injuriously the conservancy of the river, he may, by an order in writing, require the applicant to abstain from making the excavation. If an order is passed within 30 days, the applicant may proceed to make an excavation in accordance with the terms of the application."

(2) For the words "Rule 1" occurring in Rule 17, substitute "Rule 1 (c) above".

(3) Substitute the following for the existing Rule VI:—

"Whereas Rule 10 comply with the order issued by the Conservator of Rivers under Rule 10 of the Indian Electricity Rules, 1910, as amended, for the purpose of the transmission of electrical energy and telephone messages from the point of entry in Bangalore village of the Kalgudi taluk of the Coimbatore district to the Matter Head-works in the Mysore taluk of the same district—the points of which is shown in the deposited map—the powers which the telegraph authority possesses under section 16 in its of the Indian Telegraph Act (Act XLII of 1885), with respect to the placing of telegraph lines and posts for the purpose of a telegraph established or maintained by the Government or to be so established or maintained. The exercise of these powers is subject to the provisions of the said Indian Telegraph Act of 1885 and also to the following further conditions:—

(1) All telegraph and telephone lines crossing the transmission lines shall be obviously guarded to the satisfaction of the telegraph authority.

(2) In all cases where telegraph and telephone lines are directed or altered at the request of the Chief Electrical Engineer in the Mysore Government, the cost of such direction or alteration shall be borne by the Mysore Government.

(3) For rule 1, substitute the following:—

(G.O. No. 5403, L & M).

No. 1374.—The following draft of certain alterations to Rules 61 and 62 in Part II of Schedule IV to the Madras District Municipalities Act, 1920 (Madras Act V of 1920), regarding the publication of agenda, notices, advertisements, amendments or changes made by the authority, which it is proposed to make in exercise of the powers conferred by sub-section (1) of section 204 of the said Act is hereby published as required by clause (a) of section 200 of the said Act for the information of persons likely to be affected thereby. Notice is hereby given that the said draft will be further proceeded with six weeks after the date of publication of this notification, and any objection or suggestion which may be received before the expiry of that period from any person with respect to the said draft will be considered by the Local Government.

DETAILED ALTERATIONS.

In the said Rule 61, the words 'either (a)' shall be inserted before the words 'apply to the principal civil court'.

3. A woman shall be substituted for the amendment occurring after the word 'circumstances' in the same rule.

4. The words 'and brackets' (b) shall be inserted before the words 'in the case of' in the same rule.

5. The words 'appeal to the Local Government' shall be substituted for the words 'any person so aggrieved may appeal to the Government in Council' in the same rule.

6. For the words 'as he thinks fit' in the same rule the words 'as they think fit' shall be substituted.

7. The words 'Local Government' shall be substituted for the words 'Government in Council' in the two places in which they occur in Rule 62.

No. 1315.—The following draft of certain alterations to Rule VI of the rules, regarding notices, appeals, amendments and alterations published with the sanction of the Local Government in the Local Self Government Department No. 778 on page 415 of Part I-A of the Port St. George Gazette, dated 11th September 1925, which it is proposed to make in exercise of the powers conferred by clause (a) of sub-section (2) of section 199 of the Madras Local Boards Act, 1920 (Madras Act XLV of 1920), is hereby published as required by clause (a) of section 200 of the said Act for the information of persons likely to be affected thereby. Notice is hereby given that the said draft will be further proceeded with after six weeks from the date of publication of this notification and any objection or suggestion which may be received before the expiry of that period from any person with respect to the said draft will be considered by the Local Government.

DRAFT ALTERATIONS.

The words 'either (a)' shall be inserted before the words 'apply to the principal civil court'.

2. A woman shall be substituted for the amendment occurring after the word 'circumstances'.

3. The letter and brackets (b) shall be inserted before the words 'in the case of'.

4. The words 'any person so aggrieved may' occurring before the words 'appeal to the Local Government' shall be deleted.

5. For the words 'as he thinks fit' the words 'as they think fit' shall be substituted.

No. 167.—The scheme of the Silver Wedding Fund and the procedure to be followed in making donations from it is republished:—

APPENDIX A.

GOVERNMENT OF INDIA—ARMY DEPARTMENT (MISCELLANEOUS).

Bombay, the 1st December 1923.

No. 168.—In the matter of the Charlotte Endowment Act, VI of 1909, and in the matter of the Silver Wedding Fund.

Whereas the Fund known as the Silver Wedding Fund (hereinafter called the said Fund) established as an offering to Her Majesty the Queen-Empress as a token of loyalty and affection on the occasion of the 25th Anniversary of Their Imperial Majesties' Wedding was at the request of Her Majesty, wound in the Treasurer of Charitable Endowments for the Punjab (by Notification No. 3122 published in Part I of the Gazette of India, dated the 20th October 1919), for the purposes therein mentioned.

And whereas by Notification No. 312 published in Part I of the Gazette of India, dated the 7th August 1924, the said Fund as it then existed was transferred to the Treasurer of Charitable Endowments for Bengal for the purposes aforesaid.

And whereas it being found that the said Fund is greater than is required for the purposes set out in the said Notification No. 3122, dated the 20th October 1919, Her Majesty the Queen-Empress graciously instructed her Privy Council that, subject to the sanction of the Council being obtained, the purposes for which the said Fund should be applied

be extended so as to include the purposes set out in the following table.

And whereas in a resolution of the High Council of India, passed at Fort William, in Bengal No. 207 of 1919, entitled *Admission-General of Bengal and another*, in Clause 2, Sir John Johnson and others, it was declared that the objects of the fund in the name of the Prince of Wales should be "the education and maintenance of children and dependants of Indian officers and soldiers (including non-combatants) who rendered military service under the Crown during the Great War or took part in any hostilities before or after the war in subsequent wars or operations." And it was resolved and directed that the fund, the Administration of the said fund, and the objects of the fund, should be applied to the Government-General in Council to control the said Administration No. 207 of 1919.

And whereas the said fund now comprises the monies and such as are specified in Schedule "A".

Now in pursuance and execution of the powers conferred by and by virtue of sections 4 and 7 of the Charitable Endowments Act, 1890, and any other powers therein contained, in pursuance of the said Notification No. 3112, dated the 25th October 1919, and Notification No. 948, dated 2nd August 1924, in a Resolution of the High Council of India, passed in Council on the 10th April, 1924, which is now read in the Treasurer of Charitable Endowments for the purposes of the said fund, the Government of India, in Council, on the 10th April, 1924, in a Resolution, have resolved upon the following terms, that is to say, that the said fund and the monies thereof shall be devoted to and applied for the education and maintenance of children and dependants of Indian officers and soldiers (including non-combatants) who rendered military service under the Crown during the Great War or who took part in any hostilities before or after the war in subsequent wars or operations in accordance with the scheme submitted by the Government-General in Council as the application of the Administration under powers conferred by sections 4 and 7 of the said Charitable Endowments Act, a copy of which is set forth in Schedule "B" hereto.

SCHEDULE "A".

Particulars of monies and such as shall be the Silver Wedding Fund monies.

	Rs.	A.	P.
25 per cent Loan, 1922	7,88,500	0	0
25 per cent (1) 1/2, 1922	5,000	0	0

Balance in Current Account at the Imperial Bank of India, Delhi.	12,491	4	4
Total	12,97,500	4	4

SCHEDULE "B".

Scheme for the administration of the Silver Wedding Fund.

Whereas by a Vetting Order made by the Government-General in Council under the powers conferred by sections 4 and 7 of the Charitable Endowments Act, 1890, and any other powers therein contained, by Notification No. 1690, published in the Gazette of India on the 10th day of December 1924, certain monies and such as are specified in Schedule "A" hereto were vested in the Treasurer for Charitable Endowments for the

purposes subject to the Government of Bengal upon the terms set out in the application of the monies and the monies thereof then set forth, that it is now resolved that the said monies and such as are specified in the said application shall be applied to the education and maintenance of children and dependants of Indian officers and soldiers (including non-combatants) who rendered military service under the Crown during the Great War or who took part in any hostilities before or after the war in subsequent wars or operations, in accordance with the scheme submitted by the Government-General in Council as the application of the Administration under powers conferred by sections 4 and 7 of the said Act being the present scheme.

Now it is hereby declared that in pursuance and execution of the powers conferred by the said sections 4 and 7 of the said Act and any other power therein contained, the Government-General in Council has been pleased to settle the following scheme for the administration of the said fund, in pursuance of the said monies and such as are specified in the said application No. 3112.

1. The said fund shall be called the "Silver Wedding Fund".

2. The income of the said monies and of any monies in which in pursuance of the provisions of the said Act the said monies or the proceeds of sale of any of the said monies (which may in pursuance or agreement with such provisions be sold) shall be invested, shall be collected and received by and all receipts, cash and income hereafter collected, shall be referred to as "the fund" shall be administered and applied in manner hereinafter mentioned by the following persons, viz.,

The Hon'ble Mr. Arthur Cope MacCallister,
C.S.I.,
James Alexander Fisher, Esq., C.S.I.,
Stanley Webb-Johnson, Esq.,
Lawrence Herbert Baker, Esq., C.S.I.,
Raman Singh Bahadur,
Maharaja-Major Bahadur Ganga, Bahadur,
I.C.S.

or each of them as may for the time being continue to act as Administrator for the purpose of the said scheme or such other persons as may from time to time be named or in succession or any appointment or appointments in pursuance of the powers hereinafter contained or otherwise named them or any of them as the Administrators for the time being of the fund, for the purpose hereof and the said persons or each of them as may at any time continue to act or each such Administrator as aforesaid are hereinafter called the Administrators.

3. The fund shall be applied and employed at the discretion of the Administrators in and for the benefit of those eligible under the said Vetting Order No. 1690, dated the 10th December 1924, or all or any of the following ways:—(a) the purchase of scholarships of such amounts and in such persons as the Administrators may from time to time (whether on their own initiative or on applications received from Government Officers, Imperial or Local Committees or Indian Princes or Chiefs) decide having regard to the special ability of such persons and their suitability in other respects, in the opinion of the Administrators, to secure and hold such scholarships. The scholarships shall be of such amounts respectively as the Administrators shall think sufficient having regard to the circumstances of such particular case to provide fully for the maintenance as well as the education of the recipients and may be granted for education in such institutions as the Administrators may think proper (including of and for as they think proper high schools, art colleges, technical colleges, and colleges, special military schools and colleges (including schools and colleges for the education of children of Indian officers and soldiers) and in the case of

scholarships for technical institutions may, if the Administrators think fit, include such amount as they consider sufficient to cover the cost of initial equipment; (3) the payment of money lent upon the security of the said Fund, after completion of their education, e.g., for the purchase of implements or of land for such scholars; (4) the maintenance of widows of Indian officers who are not in receipt of pensions or widows whose pensions are inadequate.

4. The capital as well as the income of the Fund may at any time be applied and employed in such extent as the Administrators may in their unimpaired discretion think fit for any of the purposes aforesaid.

5. The Administrators shall never be less than four in number and if at any time any member of the body of Administrators for the time being shall die or resign or become incapable of acting in such the remaining Administrators may appoint any other person to act in his place and the Administrators may at any time accept any person to act with them as an Assistant Administrator and the number of the Administrators may at any time by this means be increased and it shall not be obligatory to make any appointment in place of any Administrator dying, resigning or becoming incapable of acting unless the number of the remaining Administrators shall be less than the minimum number prescribed. If and so long as the number is at any time reduced below that minimum the remaining Administrators shall not act except for the purposes of appointing a fresh Administrator or Administrators.

6. The Administrators may at any time or times delegate any powers and functions hereby conferred on them in connection with the application and distribution of the Fund and the income thereof to Local Government or such person or persons as they may think fit.

7. For the purpose of all acts, decisions or determinations of the Administrators there shall be a quorum, which shall not be necessary for them to meet for the purpose of discharging their duties but any resolution, decision or determination provided in writing and signed by not less than three of them shall have the same force and effect as a resolution passed at a meeting at which a quorum was present.

APPENDIX B

Applications for assistance under heads (x) and (y) of paragraph 3 of the scheme for the administration of the Fund should be made through the Director of Public Instruction of the Province in which the applicant resides, or through the Political Officer in the case of applicants residing in Indian States. Applications for assistance under head (z) should be addressed to the Indian Education Board, Simla.

General enquiries may be addressed to the Honorary Secretary of the Fund, Mr. R. Little-Jones, D.L.S., Educational Commissioner with the Government of India, Simla (New Delhi in the winter).

G. S. ROZMAN,
Acting Secretary to Government.

Current Status

Sketch.—Starting from the south-west corner of Tzucumuc, the line next crosses the river. The southern boundary of Tzucumuc and Badajonense runs to the north-east corner of the latter. Then, it flows parallel to the water boundary of Badajonense to the eastern boundary of Tzucumuc village, Porcupine Lake, then runs parallel along the southernmost western boundary of the said village till it meets the western boundary of Garduñamagdalena river.

East.—Thence southwards along the modern boundaries of Kazakhstan, eastern Russia, western and northern boundaries of Turkmenistan, south to the junction with Kazakhstan, south, then along the western boundary to the boundary of Turkmenistan State.

South—Throws a redwards along the boundary of Tertiary
into the south west corner of Neogene basin.

The mean age was 38 years.

[illegible]

Note.—Diamonddrifts along the Keweenaw Range pass westward through Vespergale and Palmonet shales in Whitefish Lake in the Copper mine district. These diamonddrifts are thought to be identical with the diamonddrift boundary, the contact between igneous rocks there being taken as the expression point of Huron and Helderberg and Niagara beds.

South.—Thomas usually in a south-westerly direction along the second dorsal boundary to the post-anal corner of the dorsal fin.

[illegible]

Madras, 27th August 1924.

M. S. VENKAT, Captain,
Acting Director of Public Health.

JUDICIAL NOTIFICATIONS.

NOTIFICATIONS

In exercise of the powers vested in it by clause (2) of section 3 of the Indian Representation Act, 1906 (XXXVIII of 1906), and with section 29 of the General Clauses Act, 1897 (X of 1897), the High Court makes the following amendments to the Madras Representation Act, 1906, as amended, dated the 4th August 1923, and published at pages 1102 to 1104, Part II of the *Port St. George Gazette*, dated the 7th August 1923:—

In Rule 14, insert "and" reading: outside Madras "after" votes" occurring in the third line of the rule and a full stop after "election" deleting the word "and" occurring after "election".

At the end of Rule 14, add: "For the first place two voters residing in Madras may apply for voting papers to the Sub-Assistant Registrar, Judicial (High Court), provided that the application is made not earlier than two days from the last date fixed for the receipt of nominations and not later than five days before the day of election."

Add the following clause to Rule 61:—
"1-K. Substitute the following for clause 6, rule 1:—

"Vote" means any person resident in India at the time of the election whose name is entered on

the roll of electors maintained by the High Court under section 5 (3) of the Act or any person resident in India at the time of the election who is on the date of the election entitled as of right to procure in the High Court.

X. In Rule 3 substitute the words "Elector and pleader" for the words "and Pleader."

High Court, Madras,
26th August 1924.

The High Court, in exercise of the authority conferred by clauses 5 and 10 of the Indian Representation Act, 1906, has made the following amendments to the existing rules for the qualifications and admission of persons to be valid of the High Court of Judicature at Madras, republished at pages 404 to 406 of Part II of the *Port St. George Gazette*, dated 10th May 1923:—

In rule 10, for the words "Judge who is President of the Pleadership Examination Board for the time being and the same Judge", substitute the words "Chief Justice, who is" and delete the words "(in consultation with the Pleadership Examination Board if he thinks fit)".

In rule 10, for the words "President of the Pleadership Examination Board", substitute the words "Chief Justice" wherever they occur.

In rule 75, for the words "Floodship Examination Board" substitute the words "Chief Justice."

OFFICIAL ADVERTISEMENTS

SALE OF SHELL PIT AREAS IN THE
SULFUR PIT DIVISION: NEALONG DISTRICT

Notice is hereby given that the customer's right of attaching a bill to the waste landed the under-mentioned plants represented by their actual loss.

value will be sold in auction by the Housing Development Officer, Suley, at Suley, on 11th October 1918 at 12 noon. The sale will be subject to the confirmation by the Collector of Nellore.

7. The lease will be from 1st December 2008 to 31st March 2010.

2. A deposit of Rs. 100 must be made by each intending bidder in the office of the Deputy Tahsildar, Sahaypur, at any time during office hours on the 3rd or 4th October 1938. Deposits will not be returned on the date of the auction, and only persons who have made the deposit may bid.

4. No person will be allowed to bid for another unless he holds a properly executed power of attorney which should in every case be shown to the selling officer before the auction begins on the date of sale.

4. The selling officer may for valid reasons refuse to accept any bid and in cases of dispute his decision shall be final. If for any reason, the highest bid is rejected, the selling officer may at his discretion either accept the next highest bid or begin the auction again.

8. The final purchase of the title shall seal with the Collector of Nilgiris who reserves to himself the right to accept or reject any bid at his discretion.

7. The deposits made by the unsuccessful bidder will be returned to them after the sales are over.

8. As the tender proceeds, each successful bidder shall at once if so required by the selling officer or at the close of the day's sale make such further deposit as the selling officer may require. Should it fail to do so, the deposits made by him under condition 5 above will be forfeited and the shall-pits will be put up to auction again or otherwise disposed of as the Collector may determine and the defendant may be ordered from bidding sums at any subsequent sales of shall-pits by the Collector.

9. On the completion of the 141st day successful bidder will be required within one week to enter into an agreement for the due performance of the contract and pay one-tenth of the contract amount to the Revenue Divisional Officer, Guder, or any other officer appointed by him. Should the bidder fail to do so, the deposits made by him under conditions 5 and 6 above will be forfeited and the shall-pits will be sold or otherwise disposed of as the Collector may determine. No sale thus effected will be at the risk of the defaulting bidder who will forfeit all gain and in the event of loss will be required to make good the difference between the amount payable under the terms of the sale that payable by the successful bidder at the time.

10. An agreement in form A-118 of the 2nd Manual should be executed by the successful bidder within a fortnight from the date of receipt of the order accepting the bid. A copy of the form may be inspected at the Deputy Tahsildar's office, Nalagarh. In default of the execution of the agreement the deposit under conditions 8 and 9 by the bidder will be forfeited to Government.

11. The execution of the agreement required under condition 10 will be strictly enforced.

12. Any further deposits may be obtained from the office of the Revenue Divisional Officer, Guder.

Nalagarh, 12th August 1923.

TENDERS FOR IMPROVEMENTS TO THE AGRICULTURAL STATIONS AT GUDER.

Tenders will be received by the undersigned at the Office of the Executive Engineer, Guder division, Guder, up to 5 p.m. on 20th October 1923, for improvements to the Agricultural Station at Guder.

2. The tenders should be submitted in sealed covers, the name of the tenders and the name of the work being noted on the cover and should be addressed to the Executive Engineer, Guder division, Guder. The covering letter with which the tenders are submitted should be in the prescribed form obtainable from the office of the Executive Engineer, Guder division, Guder.

3. (a) Each tender should be accompanied by a correct copy of Rs. 100 in cash or treasury notes of the Reserve Circle which should be certified to the Executive Engineer, Public Works Department, Guder division, Guder, either in person or through an agent of the tenderer or by money order.

(b) In the case of parties whose tenders are not accepted, the amount money will be refunded by means of cheque only drawn on the Imperial Bank of India, Guder.

(c) The parties should make their own arrangements to have the cheque cashed.

4. The Executive Engineer will reserve to himself the right of rejecting all or any of the tenders without assigning any reason for so doing.

5. As soon as the acceptance of the tender is notified, the successful tenderer will be required to deposit a further sum of Rs. 100 which, with the amount money received, will be held as security for the due fulfilment of the contract.

6. The successful tenderer will also be required to sign an agreement in the proper departmental form for the due fulfilment of the contract under the Schedule Contract System.

7. Failure to comply with the conditions 2 and 3 above within fifteen days from the notification of acceptance of the tender by the Executive Engineer, will entail forfeiture of the amount money.

8. The contract must not be sublet.

9. Any other conditions of contract and the contract documents can be seen at any time between 11 a.m. and 5 p.m. on office days in the Guder Division Executive Engineer's Office, Guder, from which blank forms of tenders can be obtained free of cost. A set of plans and specifications can be purchased for Rs. 10 per set.

10. In the event of a tender being submitted by a firm, it must be signed separately and separately by each member thereof, or, in the event of absence of any partner, it must be signed on his behalf by a person holding power of attorney authorizing him to do so.

11. No alterations which are made by the tenderer on the contract documents will be recognized, and, if corrections are made, the tender will be liable to rejection.

12. Any rates or lump-sum estimates for items not called for by tenders by the contractor, will not be taken any notice of.

13. Any tender not received in order and according to the instructions given above and in the time, will not be considered.

14. The work should be completed and handed over to the Public Works Department by the contractor by the 31st March 1924, failing which, a penalty of Rs. 25 per day will be levied and will be recovered from the contractor's and shall be over the work completed and handed over to the Public Works

Approximate quantity.	Description of stock.	Price per

3. Selected candidates will undergo a year's training at the Residential Police Training School, Vellore, during which period they will be granted an allowance of Rs. 25 per mensem of Indian and of Rs. 30 if European or Anglo-Indian. This period of service qualifies for pension.

4. Applications should be made before the 15th September 1928 to the District Superintendent of Police of the district to which they will be appointed. Permanent residents of Madras City should send their applications to the Commissioner of Police, Madras, and residents of Indian States who have obtained declarations of eligibility for employment in British India, to the District Superintendent of Police of the British district nearest to them. No application should be sent to the Deputy Inspector-General of Police or the Inspector-General of Police.

Form of application should be obtained by selected residents from the District Police officers and by those who reside in the City from the office of the Commissioner of Police, Madras.

5. Candidates will be required to appear before the selecting officer on a date and at a place which will be communicated to them by the officers who transmit their applications.

6. No candidate will under any circumstances be interviewed on any date or at any place other than that fixed by the selecting officer.

7. Any attempt on the part of a candidate to obtain support for his application through persons of influence will disqualify him for appointment.

8. No communication from any candidate addressed to the Inspector-General of Police will be attended to.

J. BECKETT,

Assistant Inspector-General of Police.

Madras, 2nd August 1928.

The Standard Barometer and Thermometers are read at 8 a.m., 10 a.m., 2 p.m. and 8 p.m. The daily means are obtained by the application of hourly corrections, derived from twenty years' observations. The action of the barometer is twenty-two feet above the level of the sea, and the corner of the rain-gauge is one foot from the ground. The wind, rain and general weather registered are for the station until day-break or midnight to midnight.

The total quantity of rain collected since January 1st is 11.01 inches, the average for the same period being 15.17 inches.

A. A. KARAYANA ATVAR,
Assistant Meteorologist.

Marine Observatory,
2nd September 1905.

SUPPLEMENT TO PART II

OF

THE FORT ST. GEORGE GAZETTE

No. 551

MADRAS, TUESDAY EVENING, SEPTEMBER 4, 1923.

[PART II, p. 10.]

ABSTRACT OF SEASON REPORTS FOR THE WEEK ENDING 1st SEPTEMBER 1923.

GENERAL SUMMARY.

Rainfall in the District, on the West Coast and in the Nilgiris. Standing crops generally fair, but paddy withered or is withering in parts of Tirunelveli. Seedlings of seasonal crops generally normal except in Anaimalai and parts of Kanyakumari, where they are retarded for want of sufficient rain. Condition of soils generally good. Fodder sufficient. Water-supply generally normal except in parts of Tirunelveli. Prices generally stationary.

R. G. HOLDSWORTH,
Secretary.

Bureau (Last Reports and Statements),
Madras, 4th September 1923.

DISTRICT REPORTS.

GANAKAM.

Water-supply generally sufficient. 4500 feet of water in the Sankarankudi reservoir (F.T.L. = 45-2) and 40 feet in the Sankarankudi (F.T.L. = 34). Transplantation of paddy proceeding. Standing crops fair. Pasture available. Fodder sufficient. Condition of soils fair.

VIZAGAPATNAM.

Water-supply generally sufficient. Transplantation of paddy proceeding. Standing crops standing. Pasture available. Fodder sufficient. Condition of soils generally good. More rain required in parts.

EAST GODAVARI.

Water-supply generally sufficient. The Godavari 4-15 feet above the level of the current. Transplantation of paddy and sowing of chilies continuing. Seedlings normal. Standing crops generally fair. Pasture available. Fodder generally sufficient. Condition of soils generally good. More rain needed for dry crops.

II-20-2

WEST GODAVARI.

Water-supply generally sufficient except in parts. Transplantation of paddy and sowing of chilies and sowing of cotton proceeding in parts. Seedlings generally normal. Condition of standing crops not reported. Pasture available. Fodder sufficient. Condition of soils generally good.

KOTTA.

Water-supply sufficient. The Kistna 2-1 feet above the level of the current. Transplantation of paddy completed and sowing of sunn, chilies, cotton, groundnuts and cotton proceeding. Seedlings normal. Condition of standing crops normal. Pasture available. Fodder sufficient. Condition of soils generally good. Situation considerably improved by recent rain.

GUNTUR.

[Report not received.]

KURNOOL.

Water-supply sufficient. The Kurnool-Giddalur canal flowing. The Tungabhadra 2-4 feet above the level of the current. Sowing of paddy and cotton proceeding. Seedlings normal. Standing crops fair. Pasture generally available. Fodder generally sufficient. Condition of soils generally good. More rain needed in parts.

BELLAARY.

Water-supply for irrigation as efficient as wells and new channels, generally sufficient in spring channels and generally less efficient in tanks. Drinking water generally sufficient. Transplantation of paddy and sowing of cotton and cotton in parts. Standing crops normal. Seedlings normal. Standing crops fair. Pasture available. Fodder sufficient. Condition of soils generally good. More rain needed in parts.

ANANTAPUR.

Water-supply sufficient for irrigation in limited areas under wells and canals. Sowing of sunn, groundnuts, cotton and cotton completed for want of sufficient rain. Standing crops fair. Pasture available to a slight extent. Fodder sufficient. Condition of soils generally good. More rain needed.

CUTDAP411

Water supply generally sufficient. Soils somewhat sandy and proceeding generally. Pasture available. Fodder sufficient. Condition of roads generally fair, but dirtiest prevalent in parts. Rain usually needed.

SYLLOPE

Water supply is wells and definite tanks sufficient. River channels flowing 33 to 40 feet of water in the Kungai reservoir (F.L. = 51-65) and 7 to 10 feet in the Ngungu reservoir (F.L. = 57-6). Transplantation and sowing of paddy and sowing of shallots, maize, green-lent and soles proceeding in parts. Sowings parcel. Standing crops fair. Harvest of sugarcane and shallots proceeding in parts; sugarcane second harvest generally available. Paddy generally sufficient. Cattle of cattle generally good.

CHENAI ET ET

Some lands have received phosphate spraying from five days to two months. River and spring channels flowing. Water supply sufficient for domestic purposes. Flowing of pools, vernal and groundwater and transpiration of crop seedlings. Seedlings current. Pasture available. Fodder sufficient. Condition of cattle generally fair.

SOUTH AFRICA

Water-supply generally sufficient. Transplantation and sowing of paddy and sowing of chicken, ramto, horra and various proceeding. Sowing of groundnut concluding. Sowing normal. Standing crops fast. Pasture available. Fodder sufficient. Condition of roads generally good.

critique.

Water supply in wells generally sufficient. Some wells contain supply running from a few days to about 2 weeks. Slight low in a few channels in parts. Drinking water generally sufficient. Sewing of public, school, homes, shops, hotels, restaurants and some processing. Sewage normal. Standing crops generally fair. Pasture generally available. Fodder generally sufficient. Conditions of soils generally good.

NORTH ARCADE

Drinking water sufficient. Some tanks receive supply ranging from one week to three months. Supply in river and spring channels fair. Sowing of paddy, cereals, sorghum and sorghum-pigeon and of groundnut concluding. Seedlings normal. Standing crops generally fair. Pasture available. Fodder sufficient. Cattle of cattle generally good.

SALTSHI

Water supply for irrigation sufficient in parts of Hesse and Thuringia; deficient in parts of the Country elsewhere in the German Reich. Drinking water generally sufficient. Sewage normal. Standing crops generally fair. Flocking of waterfowl, eg., geese, fair. Poultry generally available. Fodder generally sufficient. Condition of cattle generally fair. More work needed.

COINTEGRATORS

Water supply generally sufficient except in parts. Shortage less of water in the Caspian at Krasn. Transplantation of paddy and sugi, raising of chains.

combs and greenhorns and planting of sugarcane promising. Seedlings normal. Seedling crops fair to good. Harvest of paddy, cotton, cane, rap and groundnut and sowing of sugarcane promising. Picking of cotton continuing; cotton of cottons poor to normal; rest fair to normal. Pasture sufficient except in panna. Fodder generally sufficient. Condition of cattle fair.

ACKNOWLEDGMENTS

Water supply generally sufficient in wells. Moderate supply in rivers and channels. Supply sufficient in reservoir tanks. Storing of poultry, chicken and ducks proceeding. Storage lots. Slaughtering dry crops few. Pasture generally available. Fodder sufficient. Condition of roads fair. Rice planted in wetland areas.

TANTOBE.

Water supply sufficient. Height of water at the Grand Ascut 4.8 feet above crest. Discharge of the Coleroon over Lower Ascut, northern and southern benches, 0.2 and 0.4 feet respectively. Irrigation of first crop paddy completed and of single crop paddy proceeding. Crops normal. Standing crops fair. Pests negligible. Fodder generally sufficient. Condition of cattle fair. Here two ponds in the Arunachal and Panchabati taluka.

MADRID.

Water supply sufficient in Pongor area. Average catchings in the Pongor Main Canal 1,500 acon. Supply gradually going down. Drinking water generally sufficient. Sowing of paddy on single crop lands in the Pongor area proceeding. Standing paddy crop good. Harvests usual. Pasture generally available. Fodder sufficient. Condition of milch animals good. Rain sowed acreage.

MAIN RESULTS

Water-supply sufficient for drinking purposes. Savings not yet commenced in some towns for want of rain. Pasture generally available. Fodder sufficient. Condition of cattle fair.

TINNYEILY.

Water supply insufficient except in parts of Tashan and Ambanashan. No flow over the Brinkkation agent. Discharge inadequate. Paddy withering or withered in parts of six taluks. Pasture evenly except in two taluks. Fodder sufficient.

DISCUSSION

Water supply sufficient. Stocking average fair. Pasture available. Fodder sufficient. Condition of cattle generally fair, but rinderpest present in some.

SOUTH KANARA

Water supply sufficient. Standing crops good. Pasture available. Fodder sufficient. Condition of cattle fair.

WIRE MESHES

Water supply sufficient. Transplantation of paddy proceeding in new fields. Standing crops fair. Flocks of sea porpoises; southern fur. Fur seals available. Fodder sufficient. Condition of cattle generally fair.
